Legislative Debrief

1. What did you learn?

- Legislators are aware of Ext. + its needs to some degree
- Legislators are willing to promote Ext. outside of the legislature
- Nutrition program related well to an urban rep.
- Interested in what we had to say
- Raised eyebrows when we said "volunteer"

2. What could make you better at this process?

- Created an atmosphere feeling free to contact them again on any issue
- Remembering numbers

Legislative Debrief

1. What did you learn?

- Miss Esther is an amazing mentor.
- I witnessed relationship building - and its results.
- Senator Rahn (R) sent us to Senator Ford (D). He asked that we mention he sent us. Attempts are being made to build bridges.

2. What could make you better at this process?

I'm confident that I would be better next time simply having had this experience.

3. Who do we need to follow-up with?

JH Langdon + Jimmy Dixon - Mr. Waddell suggested that a 4-H person ^{or} address the Rural Caucus. It is clear that the Rural Caucus sits beyond party line. Mr. Waddell + Mr. Brinson commented on the loss of rural representation.
