# State Advisory Council

## About Us

The State Advisory Council, through strong advocacy, communication efforts, committed Advisory leadership and engaged citizens, helps to ensure that every community in the state participates in and enjoys ownership in NC State Extension programs.

### ADVOCACY

The State Advisory Council (SAC) builds relationships with federal, state and local government and community leaders to advocate for NC State Extension.

### MARKETING

SAC markets NC State Extension as a leader in addressing the changing needs of rural and urban N.C. communities.

### PROMOTION

SAC works with local Extension centers to develop and strengthen advisory groups and serve as the liaison between county councils, state administration and foundation directors.

### RESOURCE

SAC works with NC State Extension program leaders and departments to ensure that programs are relevant and resources are available for impactful programs in every county.

## Member Responsibilities

- Attend scheduled state council meetings
- Promote the value of Extension to key stakeholders
- Assist in training county advisory council members
- Attend county advisory council meetings to exchange information

## N.C. COOPERATIVE EXTENSION

NC State Extension works in tandem with N.C. A&T State University, as well as federal, state and local governments, to form a strategic partnership called N.C. Cooperative Extension. With local centers in all 100 counties and the Eastern Band of Cherokee, we deliver education and technology from NC State and N.C. A&T that enriches the lives of North Carolinians and grows our state.

*NC State University provides equal opportunity and affirmative action efforts, and prohibits discrimination and harassment based upon a person's age, color, disability, family and marital status, gender identity, genetic information, national origin, political beliefs, race, religion, sex (including pregnancy), sexual orientation and veteran status.*
